The children in your class wanted to tell you all about some of the things we do in school:

We like using the computer.

We like doing show and tell.

I like making things.

We like dressing up and role playing.

We like going outside to play with our friends.

I like counting.

I like building and making things.

We like doing PE.

We like eating our lunch at school.

When you come to visit us you will be able to do some of these things too. You can look at books, play games, do puzzles and much, much more.

I like writing and learning letter sounds.

We like using tools and equipment to make things.

We like exploring our world and visiting our wildlife area.

We like learning about our world through role play.

I like learning to tell the time. We like looking at books.

We like painting, making music and playing with water.

Please colour in the teddy bear and bring it to school to show us.

What do you like doing most? Please draw it for us here:

When you come to school you will have a peg to put your coat on just for you and you can bring a small **named** toy to play with at playtime. Best of all, when you come to school you will make lots of new friends. We are very excited that you can come. We look forward to meeting you!
