

PE & Sport Premium Objectives 2016-17

Bitham Brook Primary School

DEPARTMENT OF EDUCATION VISION FOR THE PRIMARY PE AND SPORT PREMIUM

“ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.”

As a result of the funding it is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. A broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Introduction

All children are encouraged to develop their sporting potential in activities such as gymnastics, games and dance, with a focus on swimming in Year 3. We run varied after-school sports clubs for those children who wish to take part, once they reach a suitable age. We develop children with sporting ability to compete in matches and tournaments in athletics, golf, cricket, football, tennis, dance, tag rugby, swimming, netball, cross-country and hockey. We enable children to have an opportunity to develop their leadership skills as Peer Leaders, Bronze Ambassadors and as a member of our School Sport Organising Crew (SSOCrew). At Bitham Brook we pride ourselves on our sporting reputation. Not only for our success across a number of sports but also our good sportsmanship and demonstration of the School Games values of:

PE & sport premium funding for schools is allocated for each financial year but the information that we publish online refers to academic years because this is how we believe parents best understand the school system. Also, where appropriate, cash figures are rounded to nearest £10.
